Last day of term

As this is our last newsletter of this year we would like to take this opportunity to wish you all a Merry Christmas and a Happy New Year.

We look forward to seeing you all back at school in the New Year.

We are sad to say good-bye to two long serving members of staff.

Mrs Wardle will be leaving us after many years of service. So many children (and we think some parents!) have had a touch of the Mrs Wardle magic. We thank her for all of her hard work and we know the whole school community will miss her hugely. Her last official day was yesterday but she will be in school on Monday and Tuesday next week.

Mrs Reynolds will be leaving our lunchtime time team having worked at the school for eight years. We thank Mrs Reynolds for the approximately 1560 lunches that she has helped serve.

Learning Ambassador Review of the Week

This term we've learnt about The Great Fire of London. We made houses from cereal boxes and we burnt them to make it look like when it happened. It looked so real. We also wrote about Samuel Pepys and his diary, learnt some facts about him and wrote a report about the fire.

In our maths we did division using a number line. We did uses of everyday materials in Science and we went outside to collect objects. Our challenge was to write the properties of the object.

Because it's Christmas, we made snowmen using white socks and filled them with rice. We are going to take them home on Friday.
