Learning Ambassador Review of the Week

In Maths we have been learning about time and fractions. We solve fraction problems by using a bar model. In English we have been learning about the book 'Escape from Pompei'. We have also been learning about volcanos like Versuvius. In swimming we were pretending to be sleeping crocodiles. We used a float out stretched in front of us and put our faces down in the water. I wouldn't do it this week but I will try again next week. In a few weeks time the choir are going to Dereham Memorial Hall to sing with the Neatherd band and today we practised for that.
