Dear parents and carers,

It has been an absolute pleasure to welcome everyone back this week. I won't pretend I wasn't a little bit apprehensive: How would the children come back? How would home-times work? How would lunch-times work?

However, with your support and the staff's brilliant efforts, the children have enjoyed an excellent week. So much of the important parts of school life have felt very normal: lessons, breaks and our new Zoom assemblies have worked really well.

Whilst most children seem to have made a very good start, we know that (as is normal at the start of any year) some children may have struggled with the change; lock-down and the lack of our normal transition have not helped this of course. Please do contact your teacher if you are at all worried about how your child has settled.

Rest assured that we will be maintaining our vigilance over the coming months, but the signs are that the children will enjoy, for the most part, a very normal school day. Over time, let's hope, that we will be able to normalise things even more and that by the end of the year – whole school assemblies, clubs, parent visits, throwing sponges at staff at the summer fair (that kind of thing!) are back to normal.

Mr Howell will update you early next week with some learning based updates.

Once again, a huge thanks to you all and I wish everyone a great weekend.

Best wishes,

Nick King
