With Covid present in our community we remind everyone to follow NHS advice and take a PCR Covid test if symptoms occur—www.nhs.uk/conditions/coronavirus-covid-19/

If your child needs to have a PCR test please give consideration to the type you book. The quickest way to get a result is via an in-person test, not postal. We are aware that postal tests are taking considerably longer to report results.

We would also like to take this opportunity to remind parents/carers that inline with government guidance the primary responsibility for track and trace now lies with the NHS.

It's Good to Grow from Morrisons

We understand that the more kids know about how food is grown and made, the better they'll eat, now and in the future.

It's Good to Grow is a token collection scheme that allows schools to collect for free gardening equipment to get kids outdoors and growing. Between 6th September and 24th October 2021 for every £10 spent in store or online at Morrisons customers will automatically receive one Grow Token to donate to your chosen school.

You'll need to be a MyMorrisons customer to take part so make sure you download the app and select a school to donate your Grow Tokens to.

Finally, don't forget to scan your app or MyMorrisons card at checkout every time you shop to receive your Grow Tokens. Once you've selected a school, you'll be able to donate your Grow Tokens to them.

From 24th October, they'll be able to redeem the Grow Tokens they've collected against a range of growing and gardening equipment for school.

Dear parents/carers

I am writing to inform you that the school will be taking part in a jointly run operation between Norfolk County Council, Norfolk Police and our school, it is called Operation Encompass. Encompass has been set-up to help schools to provide support to children who have been present at incidents of domestic violence. We know that children can be significantly physically or emotionally harmed when they are involved in, present or witness to domestic violence.

The school will receive a confidential phone call from the Multi-Agency Safeguarding Hub before 9am on the morning after any domestic incident where a child at their school has been involved in, present or witness to domestic violence.

The school have designated Mr King, Mr Howell, Mrs Simpson & Mrs King as Key Adults. They have received designated safeguarding lead training from Norfolk County Council to allow them to use the information that has been shared, in confidence to make sure that the right support is available for children and their families, who have been involved in or witnessed a domestic violence incident.

We are keen to offer the best support possible to our pupils and we believe this is going to be extremely beneficial for all those involved.

If you have any concerns or questions then please contact one of the above Key Adults or myself and we will be happy to discuss this further. Further information about the project can be found on our school's website and is available from the school office on request

Yours sincerely,

N. King

Mr Nick King

Headteacher
