4B: Thomas, Elsie

3S: Lottie, Jacob
4C: Freddie B, Amelia
5R: Caitlin, Maya

In the last week we have given 39 late marks on the registers. This equates to 8.25 hours of lost learning time! Please can we ask that children arrive at school at the correct time.

Please be aware that if your child has a temperature or develops a cough during the school day we will ask you to come and collect them. Your child will be placed in the isolation room until you arrive. You will then need to book a PCR test for your child—they should isolate at home until you receive the PCR test result. Please inform the school office as soon as possible of your child's result.

Please do not send your child back into school until you have informed the school office of your child's test result, they will not be allowed back into class until we hear from you.

We would like to give a warm welcome to Mrs Porter and Mrs Brown who will be joining our Midday Supervisors team and Mrs Leadley who will be taking on a new role as Finance Officer.

Please can we ask that when dropping off /collecting children that you do not park on the zigzag/ double lines outside the school.

Good luck to Mrs Lindner our Catch-Up teacher who has left us this week. We wish here all the best in her new job.

New lunch menus coming home tonight. Please be aware that roast dinners on Wednesdays will not have stuffing but will have Yorkshire puddings instead.

Edwards & Blake have informed us that they are experiencing some supplier issues at the moment. This may mean that the lunch menu may have to change slightly at short notice.

In recognition of the difficulties facing parents/carers over the last two years, we have added a Families Under Pressure Resource to our website. This contains simple tips which have been proven to help families struggling with difficult behaviour and negative emotions and was developed by NHS England.

This can be found on our website under the Parents tab, Information for Parents—Link newsletter.
