We have introduced a group of Peer Listeners into school. This role is being taken on by a group of children in Yr5 & Yr6. The peer listeners will be active on the playground to help children feel safe, to listen to any problems and to support children in building resilience and making friendships. They will be wearing a Peer Listener badge to make themselves easily identifiable to other children.

Please can we ask that the school office is notified if your child is returning to school following negative Lateral Flow tests as early as possible. If we do not hear from you beforehand we will need to keep your child in isolation until we are able to contact parents.
