2W: Skye, Rose
3S: Leon, Jacob, Florence
4C: Harry, Ellie-Mai
5R: Phoebe BT, Rhys
6B: All of class

Fundraisers pre-loved uniform

We have plenty of uniform at bargain prices.
Please email any enquiries to:
scarninguniform@gmail.com

A big thank you to those who have donated clothes!
Any clean clothing can be let in the plastic box in the buggy park outside the office.

Please can we ask that if you leave the school office a voicemail, send an email or fill in your child's absence online, that you give as much detail as possible as to why your child is absent. If you just state unwell we will need to make a follow up call for more detail.

For any school uniform orders you can order on-line at https://www.birdsofdereham.com/shop/category/schools-scarning-vc-primary-school-76/ **(Click & Collect available) or visit the store at Unit D 13 Yaxham Road Dereham**

You can check our key policies online at www.scarningprimary.co.uk these include our anti bullying policy, our complaints procedure and information regarding whistleblowing. Other policies are also available.

Covid Update

If your child has a positive Lateral Flow test but **no** symptoms they should isolate for 10 days (the day they test positive is day 0, the next day after the test is day 1) they do **not** need to have a PCR test but the Lateral Flow test needs to be registered with track and trace. Another lateral flow test should be taken on the morning of the 5th day and the morning of the 6th day. If both are negative, your child is welcome to come back into school on the 6th day. **Please inform the school office before they come back in.**

If your child has a positive Lateral Flow test **and** has symptoms (cough, high temperature or loss of smell) you should book them a PCR test. They should isolate for 10 days (the day they test positive/symptoms start is day 0, the next day after test is day 1 track and trace will advise of this). Another lateral flow test should be taken on the morning of the 5th day and the morning of the 6th day. If both are negative, your child is welcome to come back into school on the 6th day. **Please inform the school office before they come back in.**

If your child develops a cough or high temperature in class we will phone you to collect your child, they will wait in the isolation room until you arrive. They should be taken for a PCR test as soon as possible and should isolate until you receive the result. If you do not wish for your child to have a PCR test, they will need to isolate for 10 days**. Please inform the school office before they come back in.**

If your child is identified as a close contact, it is recommended that they take a Lateral Flow test for 7 days after contact. It is fine for them to still come into school at this time**. If they have a positive test please follow the advice above.**

If your child is off school for any other reason other than Covid, and then goes on to develop Covid symptoms or test positive, please update the office as soon as possible to enable us to identify close contacts.
