NorfolkSchools

School attendance has a big impact on a wide variety of children and young people's outcomes, and we've developed a new strategy for school attendance in Norfolk. We want to find out more from parents and carers about the challenges they face in supporting their children, so please share the survey with the parents and carers you work with so that they can share their views.

https://www.justonenorfolk.nhs.uk/attendance

If you wish for your child to leave school by themselves (Yr5 & 6 only), please complete a form (sent home tonight with your child) and return for the start of school in September. Alternatively these are available to download from the school website or paper copies are available from outside the front office. We are sorry but we are unable to accept an email/ Class Dojo message. If this is at short notice you are welcome to write a signed note and email a photo of this into the school office.

**If you have previously completed one of these forms we will still require you to complete a new one this year. This ensures that your child's new teacher is aware of the permission and also gives you the opportunity to update your consent.**

# Continue Reading over the Summer with Purple Mash

We have been given free access to over 200 books to read on Purple Mash over the summer to continue with your child's reading progress. Please logon to Purple Mash as usual and then either click the reading tab or use the nine dots in the corner to go to Serial Mash. You will then be able to view the books in the library to read and complete any activities that go with them. Every time your child reads it is logged on Purple Mash and if we as a school have the most minutes logged at the end of the summer we have a chance of winning a licence for Serial Mash for a year for the school.

So please logon and keep reading!

**What is Serial Mash?**

Serial Mash offers a wide range of books, fiction and non-fiction, for children aged 5-11. Books come with comprehension questions and a wealth of activities to help children engage with stories. Many of the stories are linked to the curriculum and help to bring topics alive. With books organised into genres, browsing is simple. From adventure, to sci-fi, to mystery and more, there is something for everyone.

**How you can support your child:**

To begin with, log in to Serial Mash with your child's login and familiarise yourself with the menu icons and key areas of the site.

Click on the Libraries tab to explore the range of books.

The stories are split into levels: Diamonds are aimed at 5-7 year-olds, Emeralds for 7-9 year-olds and Sapphires for 9-11 year-olds. The Fire bolts section is a collection of stories written for older children who are working at a reading level below their age. There is also a collection of poetry books and a selection of non-fiction books by DK Learning.

Choose a book to read. Is the size of the text right for your child? Click on the cog icon to change the font size, style and background colour. The settings will be saved and will apply to other books.
