On Monday we will be looking at attendance across the school. For all pupils whose attendance is below 92% we will be emailing a letter.

If your child's attendance is between 90 – 91.9% we will be contacting you. This is because we have to take some action if attendance falls below 90%, and hopefully by notifying you now you can give very careful consideration to any future time off and keep attendance above 90%.

If your child's attendance is below 90% we do need to take some action – in the first case this will usually be by emailing you a letter, but if attendance does not improve then further action may be taken.

There may be reasons why your child's attendance is below 92% - please be assured this will have been noted.

The purpose of these initial letters is to make you aware of our concerns and hopefully improve attendance going forwards.

If you have any concerns about your child's attendance please do let us know.

Reminder!

Last day to order Christmas lunch is 24th of November.
When we have received your child's order you will receive an email confirming this.

We are really sorry but we will not be able to take any orders after this date.

Extra forms are available from outside the office.

Please make payment for this online under the dinner tab. Please be aware that this will not show as a separate payment but will sit in your child's dinner account.

There is no charge for this dinner if your child is in EYFS–Yr2 or if your child receive Free School Meals.

Just to clarify— there will be no meals available on the 6th December for children in Yrs 3-6. If your child is entitled to Free School Meals they will be able to order a school packed lunch on this day.

Please remember to always keep us updated with any change of contact details to ensure you always receive communication from us by text/email. You can do this yourself by going to the Pupil Asset Website.
