They have asked us to send an image consent form home prior to the visit. This will be coming home today, if you wish to consent, please complete and return the form back to school.

Thank you for all of your kind donations for Children in Need.

In the next few weeks we will be looking at attendance across the school. For all pupils whose attendance is below 92% we will be emailing a letter.

If your child's attendance is between 90 – 91.9% we will be contacting you. This is because we have to take some action if attendance falls below 90%, and hopefully by notifying you now you can give very careful consideration to any future time off and keep attendance above 90%.

If your child's attendance is below 90% we do need to take some action – in the first case this will usually be by emailing you a letter, but if attendance does not improve then further action may be taken.

There may be reasons why your child's attendance is below 92% - please be assured this will have been noted. The purpose of these initial letters is to make you aware of our concerns and hopefully improve attendance going forwards.

If you have any concerns about your child's attendance please do let us know.

You can do this yourself by going to the Pupil Asset Website.

We do not recommend that you use the Pupil Asset App as this is experiencing some difficulties.
