5th September 2025

Dear parents and carers,

I hope that you and your family have had a restful summer and that the start back to school has been positive. The children themselves seem to have come back superbly and there has been a great atmosphere in school. Next week, when our new reception classes are up and running, we really will be all systems go for this new academic year - 2025-26.

It is ten years since I started at Scarning and whilst there have been lots of changes in that time the school remains a lovely community to be part of. I recall feeling very lucky when I got the post and that feeling remains as strong today as it did then.

Our '100 Years Ago' Day school photo.

Tuesday 16th September sees an opportunity for Year 1 to 6 parents and carers to attend a 'Meet the Teacher' event. These sessions will take place at the end of school. It will be a chance to hear a little about what lies in store for your child in their new year group. More details will follow in the coming days.

Twitter/X has served us very well for the last ten years, but owing to declining numbers we have decided to focus fully on Facebook as our main social media platform. We will bring you news from school, as well as post little glimpses of what goes on at Scarning. *(see QR code below)*

Finally, some staffing news. Over the summer Mrs Neave has left us for a new career. Mrs Neave has worked at Scarning for a number of years in all sorts of roles and has been a valuable member of staff in that time. We will miss her!

As ever, please do not hesitate to get in touch if you have any queries or concerns.
