The next few weeks will see us looking at attendance across the school. Our school average is often around 96% - a little above the national figure.
If a pupil's attendance rate is below 90%, it means they are classed as being 'Persistently Absent' (PA) and we need to take some action—in the first case this will usually be by emailing you a letter.

We will also notify parents and carers by email if attendance is 90-92% i.e. hovering just above the PA mark. There may be reasons why your child's attendance is below 92% - please be assured this will have been noted.

In some cases, we may need to speak with parents and carers in order to find out why attendance is low. An Attendance Support Meeting may be called in such situations.

Please can we ask that care is taken when parking/ dropping off in the morning and collecting children at the end of the day. Please do not park on the zig zag lines at the front of the school.
