Dear parents and carers,

On behalf of the staff, I would like to wish you all a Happy New Year. I hope the start to 2026 has been a good one for you and your family and that you enjoyed a peaceful Christmas too.

The first week of term has been an excellent one with the children on top-form. It has been a pleasure to welcome them all back.

Below this letter, you can find a copy of our new, improved Scarning Golden Code. This was first devised by the School Council in 2015 and has remained untouched since then. It was the job of the School Council last term to consider whether it needed changing, and after much thought, they have suggested some small, but sensible tweaks, and I have been pleased to be able to incorporate them into a revised code for 2026. The Golden Code will underpin how we expect children at our school to behave and will hopefully continue to do a good job for another ten years!

One final thing - the Thistle Field wildlife cameras have been very busy recently and in assembly today, I shared with the children some of the recent images. As ever, they are fascinating…

All the very best for 2026,

Nick King,
Headteacher
