4th September 2026

Dear Parents and Carers,

I hope very much that you have had a peaceful and enjoyable summer.

It was fantastic to see all the children again today, and I am pleased to report that they have started superbly – the atmosphere in school has been great and the children seemed genuinely pleased to be back. I know we were pleased to see them.

Home visits are taking place for our new Reception children as I write, and we look forward to those children enjoying their first days at school next week. As well as welcoming our new Reception children, I would like also to note the many children who have joined us across the school. We do not think we have ever had so many join over the summer. It was lovely to meet so many of them yesterday and hopefully they have all had a great start.

I led the Year3-6 assembly yesterday and once we had covered all of the important info about the new year, we had a little discussion about the big news story of the summer – the new Prime Minister. I asked the children to tell us what they would do if they ever had that role. Their answers were great. Some thoughtful ideas, alongside a little bit of healthy debate and discussion. We certainly have some future PMs in the making!

A reminder that you can see what is going on at school via the school website and the school Facebook account. We also have our *'Meet the Teacher; See the Classroom'* event on Tuesday 15th September after school, and our first parent/carer consultation will be in early November.

All the best for a good weekend.

Best wishes,

Nick King
Headteacher
